CLASS OF 1985 RETROSPECT
WHITMAN-HANSON REGIONAL HIGH SCHOOL

The glory of friendship is not the outstretched hand, nor the kindly smile, nor the joy of companionship; it is the spiritual inspiration that comes to one when he discovers that someone else believes in him and is willing to trust him.

DEDICATION

We the Class of 1985, dedicate our yearbook to our parents and teachers. Throughout the past four years, you have given us the guidance and encouragement we needed to achieve our goals.

You have taught us to go after what we believe in, to achieve our goals, and to fulfill our dreams. Now, as we stand ready to achieve new goals and to fulfill new dreams, we thank you for all the support you have given us.

ADMINISTRATION

Dear Members of the Class of 1985:

Congratulations upon your graduation from Whitman-Hanson Regional High School.

I am sure that there were more than a few times during your high school days when you felt that "school" would never end. For as far as you could see there was nothing but classes, assignments, homework, tests, and grades to be concerned about. Well, as you can see now, those days are in the past. You are a graduate.

Four short years ago, you came to Whitman-Hanson for an education - to acquire a base of useful knowledge, learning skills, values, and attitudes that will serve you and your family throughout your lifetime. This year, you leave the highschool, hopefully with this education and the desire to learn more - much more - firmly in place.

I have enjoyed your exuberance, your vitality, your laughter, your optimism, and your commitment and pride in our high school. I hope that, you too have enjoyed most if not all of your high school days with us.

My wish for you is a life of continuous learning and accomplishment and, most importantly, contentment and self respect for all the days of your lives.

I will miss you and think of you often and I look forward to the days when you return for a visit.

Sincerely,

Louis P. Perullo, Ed. D.

Mrs. Buckley, Principal

TO THE CLASS OF 85:

I want to send you on your way rejoicing! - with joy that one phase of your life is ending and the other is beginning. Your 4 years at Whitman-Hanson are coming to an end and you are about to enter the "world". Some of you will go to college and some of you will step directly into the mainstream. In the end, you will all face the same hurdles and challenges.

As graduates you are going out into a world that desperately needs you. It's the same old world it always has been - tired, confused, and bursting at the seams, but it's still a wonderful place to be. So, now it will be your vision, your understanding, and your interpretation that may find new ways and new hope. The little changes make the big difference.

My best wish for each of you is that you make the most of your opportunities so that we at Whitman-Hanson will look with pride at your accomplishments and be able to say that we had a hand in shaping the life of someone who truly "made a difference".

"Look for the Rainbow"
Looking ahead,
I'm wondering what's in store for me
I get out of bed,
Thinking about what's going on in my life.
People have said,
"When you reach too high you'll slip and fall"
I don't believe them at all!
I'll try my best -
To do just what I want.
No time to rest -
I've got to move on -
Out on my own.
The stars seem brighter,
My heart lighter.
There's no stopping me!
Now I know where I'm going,
And I'm going to be what I want to be.
You can do it, I know!
Just look for the rainbow!

FRIENDLY FACES

The Value of a Smile

The thing that goes the farthest towards making
life worthwhile,
That costs the least and does the most, is just
a pleasant smile.
The smile that bubbles from a heart that loves
its fellowmen
Will drive away the cloud of gloom and coax the
sun again.
It's full of worth and goodness, too, with manly
kindness blent -
It's worth a million dollars, and it doesn't cost
a cent.

WHAT IS A FRIEND?

What is a friend? I will tell you — It is a person with whom you dare to be yourself — Your soul can be naked with him — He seems to ask of you to put on nothing, only be what you are — He doesn't want you to be better or worse — When you are with him, you feel as a prisoner feels who has been declared innocent — You do not have to be on your guard. You can say what you think, so long as it is genuinely you — He understands those contradictions in your nature that lead others to misjudge you — With him you breathe freely — You can avow your little vanities and envies and hates and vicious sparks, your meannesses and absurdities and, in opening them up to him, they are lost, dissolved on the white ocean of his loyalty — He understands — You do not have to be careful — You can abuse him, neglect him, tolerate him — Best of all you can keep still with him — It makes no matter — He likes you-he is like fire that purges to the bone — He understands — You can weep with him, sin with him, laugh with him, pray with him — Through it all-and underneath-he sees, knows and loves you — A friend? What is a friend? Just one, I repeat, with whom you dare to be yourself.

Oh, if we were rich as the richest on earth
and strong as the strongest that lives,
Yet never we knew the delight and the charm
of the smile which the other man gives,
If kindness were never a part of ourselves,
though we owned all the land we could see,
And friendship meant nothing at all to us here,
what a dreary old world it would be!

Life is sweet just because of the friends we have made
and the things which in common we share;
We want to live on not because of ourselves
but because of the people who care;
It's giving and doing for somebody else,
on that all life's splendor depends,
And the joy of this world, when you've summed it all up, is found in the making of friends.

A LASTING FRIENDSHIP

Some people are fortunate enough to meet
someone special in their lives who,
even though they may follow their separate ways,
continue to share a lasting friendship.

The special times spent together,
The people and places shared,
are memories both will always have.

They are the people remembered always,
who live in the heart no matter what . . . .
Always just a thought or a phone call away,
even if the years have come between.

This is for you, my special friend,
given with a special kind of love . . . .
Thank you for all the time in my life
you were such a vital part of,
and for being the unique essence of our
lasting friendship.

You really want matching Cabbage Patch dolls????

It was not funny Mr. Resnick.

FOOTBALL
BY STEPHEN OLSON

Sweat and muscle combine as one,
During those long summer workouts.
The most desirous stay an extra hour
As they train for the first; that opening game.
All true hearts feel that first day coming,
They lift and swim, the smart do running.

As the early solar rays hit each one of those selecting houses,
Does each boy's eyes widen, as a cat's does to mouses.
Three weeks hence that first day came.
Three weeks over, Oliver Ames game!
Although our efforts, valient they were, triumphant they'll be,
It just wasn't enough, mistakes cost, O.A. gets the victory.

SOUTH SHORE LEAGUE TRI-CHAMPS

FOOTBALL (cont.)

Oh-ho; one-two, one-two, and through and through
Did Rockland, Sharon, and Duxbury.
Those shared heads worked, our hearts they grew,
And we received each victory.

As those football days rolled obliquely by,
Our football Panther stood with upward nose and ears erect,
As it to sense the Clippers.
We stuck their gun.
We could have won.
Alas; we lost. An unjust to-the-sitters.

To stay down is not our motto, so down
Is not what we did.
We ran by Middleboro, we squeaked by Hanover,
Five and two, and top of the grid.

FOOTBALL (cont.)

Scituate was close, but no cigar,
We smoked right by Bedford.
We lessoned to Co-champs, not up to par,
The road trip great and the land adored.

Now we all know that Abington, known throughout as Greenwaves,
Is our archrival Thanksgiving, must beat and hurt those knaves.
Spirits are high this week of eating,
We're all set to give a beating.
Win we did, SENIORS last day to meet,
We all know the taste, revenge is sweet.

GIRLS CROSS COUNTRY
By KATHY FITZGIBBONS

The 1984 Girls Cross-Country team held its title as South Shore League Champs for the second year in a row. The Panther team was lead by co-captains Kathy Fitzgibbons and Carol Yanchuk. The girls proved that they were unbeatable when they defeated Duxbury, the second rank team in the league, at an unbelievable score of 118-44. Kathy Fitzgibbons and Sharon Maclellan went undefeated throughout the season. Kathy's 7th place finish in the Eastern Mass Division II meet allowed her to compete at the Mass. State Meet. The whole team contributed to the win and would like to thank Coach Sue Moss for her coaching and guidance throughout the seasons.

BOYS CROSS COUNTRY
BY BYRNE DECKER

The 1984 Panther Cross-Country team was a successful one. The team finished with a 7-3 record, losing a championships by one point on the last meet of the season. The team was lead by co-captains Byrne Decker and Chuck Leonard. Individually, Carl Russo achieved success by finishing first in the All-League meet, establishing himself as the top runner in the league. Byrne Decker, also received a medal in the race by finishing 11th. Carl Russo also qualified for the All-State meet by his 6th place finish in the Eastern Mass. Divisional Championship. The Seniors on this year's team ended their careers with a 41-4 record, over the four year period. In those four year, the team never lost a meet on the home course. Special thanks go to Coach Kevin Black, without whom, none of the team's success would have been possible.

W-H VARSITY HOCKEY

The varsity hockey team had a difficult year, only winning three games. The team's final record was 3-11-2. Most of the games that we lost were by one or two goals, games which could have gone either way.

This year's team was a young one with only four seniors on the team. Now that the younger players have more experience, I feel that the hockey team will be a contender in the 1985-56 season. As Captain of this year's team, I wish Coach Gillis and next year's team the best of luck.

The boys varsity basketball team had a productive season this year. The team finished with a 10-9 record. The team started off slowly but gained confidence and experience as the year progressed. One of the big reasons for our improvement was the fact that we began to run the ball along with a hard-nosed defense.

Next year's team should do very well with three returning starters. That team would have a very good chance of winning the league championship as well as qualifying for the State tournament. This program is going to do well in the future. As a senior and the captain of this year's team, I wish them lots of luck with their season next year.

Howev-r, we beat B-R for the first time and have a record f 12 and 2 as the season winds down to the two inal matches. The team is rated one of the best in ne Division Two of the South Shore.

After four years together, our nine seniors gra-uate and leave the spots on the varsity to our alented underclassmen. Leaving the sport is like oing to college or leaving your family to go on our own. There was nothing and never will be nything more special than the time this team pent together. All we have left are memories that e can look back on and remember ....

Friends laugh at your silliest jokes, put up with your worst moods, go along with your craziest idea, and always see the best in you.

CONFIDE IN A FRIEND

When you're tired and worn at the close of day
And things just don't seem to be going your way,
When even your patience has come to an end,
Try taking time out and confide in a friend.

Perhaps he too may have walked the same road
With a much troubled heart and burdensome load,
To find peace and comfort somewhere near the end,
When he stopped long enough to confide in a friend.

For then are most welcome a few words of cheer,
For someone who willingly lends you an ear.
No trouble exists that time cannot mend,
But to get quick relief, just confide in a friend.

unknown author

A friend is one
to whom one may pour
out all the contents
of one's heart,
Chaff and grain together
knowing that the
gentlest of hands
will take and sift it,
keep what is worth keeping
and with a breath of kindness
blow the rest away.

Arabian Proverb

True friendship comes when silence between two people is comfortable.

Making a friend takes a moment; being a friend takes a lifetime.

And in the sweetness of friendship let there be laughter, and the sharing of pleasures.

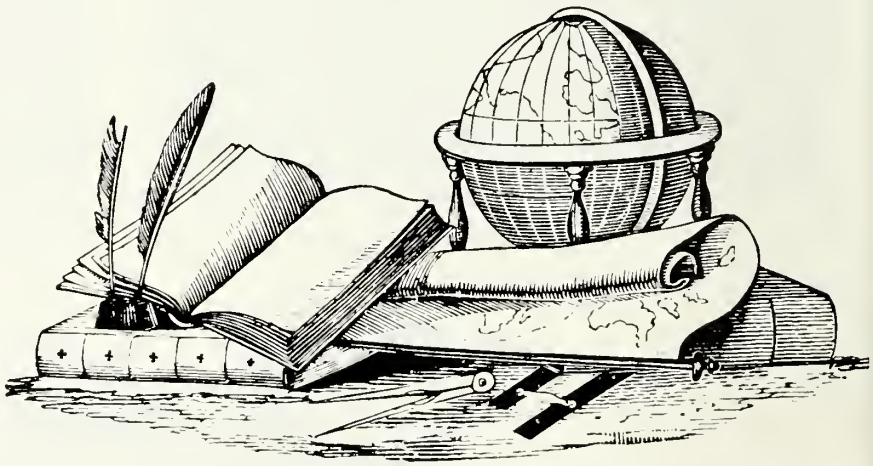
A HISTORY OF THE CLASS OF 1985

It all started in September of 1981. We were going to be Freshmen, the babies of the school. We all dreaded that first day because of the many stories we were told. The stories of not being able to find your rooms or lockers and especially not being able to enter the lavs. You were a Freshmen, a rookie Panther. Despite all our trepidations, the first year ended just great as we all made lots of new friends.

In October we met our class advisors, Mr. Resnick and Mr. Alperen, and elected our class officers who we thought would get us off to a good start. Chosen as President was Richard Wood; Vice President, Corinne Rozen; Secretary, Michelle Pendleton; and Treasurer, Nicky Vilkas. We had a lot of fund raisers which proved to be successful. We helped the Senior Class by selling refreshments at their Halloween Dance. They had aided our class early in the fall by giving us $200. We sold flowers for Valentine's Day and sold flowers for the Seniors two weeks before they completed their studies. We also took part in many other activities with the biggest one being Spirit Week. We had door and hall decorating with our decorated hall winning first place for being the most original and creative.

As September 1982 started, we felt like old pros at W-H as we became sophomores. Again we elected our class leaders with the results being: President, Ellen Ricco; Vice President, Corinne Rozen; Secretary, Michelle Pendleton; and Treasurer, Nicky Vilkas. We took part in the many Thanksgiving Day events with this year being special since our football team were O.C.L. Champs. We went to the Super Bowl where we played St. John's Prep and even though we lost, the spirit in the school was still great. We had our usual money makers to build up our treasury. In March, we tried something new by having a 24 hour volleyball marathon. After exhausting ourselves by playing for the 24 hours, it felt great in the end to go home and hit the bed. However, we all enjoyed the fun and excitement about just being there with our friends.

The fall of 1983 found us upperclassmen, finally! Did it seem like forever for us to become Juniors! High school seemed to get better every year. It was our job now to set a good example for the underclassmen to follow. Once again we elected our officers who were as follows: President, Richard Wood; Vice President, Steve Egan; Secretary, Michelle Pendleton; and Treasurer, Nicky Vilkas. The year brought many new events to look forward to, the Junior-Senior Christmas Semi-Formal, and especially the Junior Prom. Thanksgiving time came again and Spirit Week was once again a great time. This year we decided to choose two people to be in charge and the two capable students elected were Traci Pakalnis and Christina Bulman. Their leadership proved to be successful because the "Junior Jungle" took first



prize. This win interrupted the Senior's long winning streak of top honors in Spirit Week. December came and so did the Christmas Semi-Formal. Everybody got all dressed up and all had fun. Santa Claus was there and pictures were taken with him.

Again we had the usual fund raisers which proved to be successful since by now we were veteran flower and M&M salesmen. Money never seemed to be a problem for our class. Springtime came and on June 8th, we held our Junior Prom at the Canoe Club. The class of '85 danced the night away to the sounds of Panorama. All that was going through minds that night was how great next year was going to be.

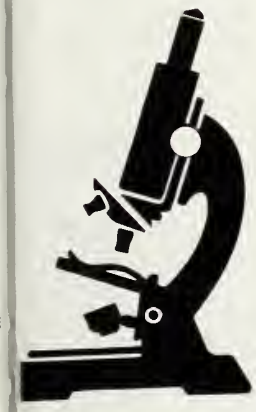
September 1984 found us Seniors at last! Oh, how we waited for this day when we would be Seniors. The class leaders stayed the same with everyone having great plans for the senior year. Traci Pakalnis was once again in charge of hall decorating during Spirit Week and although we did not win, the spirit was great. Our football team were S.S.L. champs which generated a lot of spirit.

On December 8, the Semi-Formal again took place and was a big success, even more than the previous year. We danced all night long, listening and singing to the sounds of "Euphoria". The senior year was fast fading away. We could look back and remember the championship teams in Cross-Country (both boys and girls) and our girls basketball team playing in the State Tournament. We could remember all the honors won by different class members that made us proud to be their classmates.

As I write this history in February of 1985, some wonderful happenings have not yet occurred. We'll be graduating soon, but there's a lot to do. In April, we'll be going to Canada on our class trip and then be finishing our classes in May. Commencement time will find us enjoying our Senior Prom at the Sheraton Tara and our Senior Banquet. Then it will be time to gather together as the Class of 1985 for the last time on that Saturday in June. We'll all receive what we worked so hard for over the past twelve years, our diplomas. We'll all be proud but yet sad. The time has come for us to go our separate ways although the memories will always remain in our minds.

The Class of 1985 is a very special group of students who will go far in life and I'm sure everybody who is a part of the class will always remember and be very proud of the Class of '85.

Michelle Pendleton



THE CLASS OF 1985 SAYS GOODBYE

I'd like to be the sort of friend
that you have been to me;
I'd like to be the help that you've been
always glad to be;
I'd like to mean as much to you each
minute of the day
As you have meant, old friend of mine,
to me along the way.

I'd like to do the big things and the splendid
things for you,
To brush the gray from out your skies
and leave them only blue;
I'd like to say the kindly things that I so
oft have heard,
And feel that I could rouse your soul
the way that mine you've stirred.

I'd like to give you back the joy that
you have given to me;
Yet that were wishing you a need I
hope will never be;
I'd like to make you feel as rich as I
who travels on
Undaunted in the darkest hours with
you to lean upon.

I'm wishing as the days go on that I
could but repay
A portion of the gladness that you've
strewn along this way,
And could I have but one wish this year,
this only it would be;
I wish I could have been the sort of friend
that you had been to me.

"Friends"

Friendship is a trust
Between two souls,
And since souls do not have age
It doesn't matter if you're young or old.
Friends respect other friends; you see
That makes us friends,
You and me.
When I'm weary, or I'm blue,
I think of our friendship,
And the sun shines through.
It's like looking at a brand new world,
Every time I think of you.
And when we each go on our way,
Don't let this golden friendship slip away.
Danielle R. O'Donnell

"Your best way to bank is right here in your own Hometown."

"Most people realize that all banking institutions are pretty much the same. They offer similar services, similar interest rates, and financial protection for your assets.

Your Hometown Bank, WHITMAN SAVINGS, is just as competitive on savings and loan rates as other banks in other communities. You can check that out for yourself.

But what's more, we can offer you benefits that no one else can match.

Like a convenient location. A full range of products and services to meeting your banking needs. A solid 95-year-old reputation. And much greater personal banking service.

You can't do better than that anywhere. I personally guarantee it.

So come in and discover all the advantages of Whitman Savings Hometown Banking... today."
